Coming home to Cypress

Charity White, Class of '06, comes home to Cypress! As part of her practicum for her education degree, Charity spent time in Mrs. Morgan's class before returning to Pensacola Christian College for the spring semester. In an email, Charity wrote, "I loved getting to learn so much from Mrs. Morgan. She has been and always will be an amazing teacher and mentor! I was able to observe and gain daily knowledge from her practical wisdom. I had the opportunity to tutor students in math, health and Bible. Also as part of my practicum, I graded papers, designed a bulletin board, and gained field experience for my Elementary Education major."

Mr. Bob Johnson, former CCS teacher and friend to current and past CCS students, and his wife Edith made a surprise guest appearance at the annual Alumni Basketball Game. "Mr. J, it was great to see you. Please come back soon!"
