Admissions . . . . .	5
Elementary . . . . .	5
Secondary . . . . .	7
Fine Arts . . . . .	9
Athletics . . . . .	10
Alumni . . . . .	13

## DATES TO REMEMBER

**November 7**  
Run-4-Fun

**November 24-28**  
Thanksgiving Holidays

**December 19-January 5**  
Christmas Holidays

**January 3**  
Alumni Day

## Why do parents choose Cypress Christian?

- "...we love that Christian values are infused in every aspect of the academic training. It's important to us that prayer can be reinforced at school as well as at home, so that our children grow up with prayer being a natural part of their lives....we also believe that the academic standards are high at Cypress Christian, and the curriculum is in line with, if not better than, some of the top public schools in our area...having visited the school and met some of the teachers, we feel confident in the warm and loving environment provided..."
- "We believe that our children will benefit from a Christian school and education. We want them to be surrounded by the Lord's word. We want them to grow up with Christ in their hearts. It is important to us, as parents, that we do all that we can to raise our children with morals and values. We believe that CCS can give them the opportunity to learn and grow and succeed in a Christian environment."
- "We desire for our child to attend CCS for three main reasons. First and foremost, we believe the Christian values that are so important to us will be fostered and reinforced during the school day. Second, we think our child's intellect will be challenged and her talents cultivated. Finally, we believe she will flourish in the nurturing and encouraging environment that we have seen as integral to the school's teachers and classrooms."
- "Cypress Christian School will offer our children the opportunity to be educated and nurtured both academically and spiritually. We want our children to grow in Christ's love in an environment that matches and reinforces our Christian values and provides a moral compass for their lives. Since they spend seven hours a day at school, it is important to us that their hearts and spirits are nurtured as they learn..."
- "We would like our child to develop a strong spiritual foundation in an environment that also allows him to fulfill his academic purpose."
