

## **Cypress Christian School**

### **Advantages of Purchasing Uniforms from Parker Uniform Company**

- Parker is local and families can come in to try on uniforms. No sending back and forth through mail or UPS to get right size.
- Parker services over 125 schools in Houston and has been in business since 1931. Two of their stores are listed on their flyers but the Memorial store is our designated store and will have the most selection.
- May order via phone or on-line – Order \$100 or more – free shipping.
- On-line measurement guidelines for easy ordering without visiting the store are available on the Parker web site at [www.parkersu.com](http://www.parkersu.com).
- Several ways to save throughout the year similar to a Red Apple sale. Shop during the sales and save.
  1. June Sale at Parker Stores – 10% off everything
  2. Summer Sale at CCS – 15% off every purchase
  3. December Sale at Parker Stores - 20% off in-stock merchandise
- Return policy – Can return anything and get money back for up to a year after purchase. After a year, the customer can exchange garments. (If a customer buys uniforms in June and takes advantage of the sale, they can exchange in August if a larger size is needed.)
- Quality products. Check with store personnel on individual garment guarantees.
- Parker will exchange products that do not hold up to normal wear with the exception of boys pants (knees) after one month.
- Parker products are made to last for many years and can either be resold or passed down to siblings.
- Parker strives to give good customer service at all times. Is willing to go above and beyond for customer.
- Parker is aware of modesty issues and believes in making a product that meets the standards of private schools.
- Husky, slim, plus-sizes and half-sizes are available. Some garments include an expandable or elastic waist.
- Parker offers alterations for an additional fee with one week turn-around – Buy the merchandise and leave it to be altered. No need to take it to another place for alterations.
- Parker will custom make uniforms for an additional fee. (i.e., tall students, longer skirts, longer pants...larger students – expand waist, etc.)
- Men's size pants are not hemmed to accommodate different heights. Parker will hem for an additional fee. Add up to an additional week for hemming.
- Custom school logo on uniforms if desired for small additional fee. Will need to add up to two weeks for delivery.

### **Advantages of Purchasing Uniforms from Lands' End**

- Order on-line, via phone, mail or fax
- Catalog provided to all school families several times a year.
- Speedy Shipping – orders are usually filled within 24 hours and delivered almost anywhere in 2 business days. Express shipping is also available. Shipping costs vary.
- Quality Products & products are priced fairly.
- Unconditional Guaranteed Period. If at any time you are not completely satisfied with something you buy from Lands' End return it for a full refund.
- Return items to Sears Stores free of shipping charges
- Will donate 3% of net sales from the Lands' End School items back to CCS
- Free swatches – Lands' End will send out swatches of fabric to take the guesswork out of the decision making process.
- The right fit – Simply measure your kids, consult the size charts on the catalog order form (or web site) and pick the size that matches the measurements. If you have questions, call an order specialist for help.
- Husky, slim and plus-sizes are available. Some garments include an expandable or elastic waist.
- Some pants are not hemmed to accommodate different heights. Lands' End will hem for free. Allow 1-2 added business days.
- Custom school logo on uniforms if desired for small additional fee. Will need to add 1-5 business days.
