

Elementary Girls (Grades K-5) Dress Code Guidelines 2011-2012

Also see Parker flyers, Lands' End flyers and catalog, and CCS website

The school's dress code is designed to facilitate an environment that helps the school achieve its primary goal - building Christian character and academic competence. The cooperation of the student and the parent is necessary in maintaining the standards of the school's dress code. Dress code violations will be recorded, and repeated violations will result in appropriate disciplinary action. Coming to school each day with clothing in compliance with the dress code is a responsibility of both the student and the parent.
