- **All garments purchased from Lands' End must comply with CCS Dress Code Guidelines. See separate guidelines document.**
- Garments may be purchased on-line via web site, phone, mail or fax only (not available at Sears).
- **For a detailed list of approved Lands' End uniforms and ordering online, please visit Lands' End web site.** Lands' End has created a custom website for our school. What this means for you is a much easier, tailored shopping experience showing only approved products and colors! To enter the site:
 - Enter the website (see above)
 - Click on the words "Find Your School's Dress Code" (in the blue box on the left-hand side.)
 - A pop up window will display. You may either enter our custom site by using our Preferred School Code (see above) or by "School Name" by typing State (TX), City (Houston), and School name (Cypress Christian School).
 - Click "Shop Using This Dress Code." Our Custom Home page will display.
 - From our home page you may either:
 - **"Shop"** by girl's, boy's, men, women, or backpacks & gear. You will be shown pictures, colors, names, and prices of all the CCS approved items in that category. You will also see sale information on different items. Move your cursor over the pictures and some of them will give you different views of that item! Click on the item for more information and to order the item.
 - **"View Approved Dress Code Items."** This tab will bring up a pop up window that lists all the items by category by name. Click on the item you wish to see and you will see all the details for that item.
 - Please note:
 - Items are categorized by size not by school (elementary, middle, or high school)
 - On each detailed page of an item, at the top right side there is a "Cypress Christian School Dress Code Guidelines" box. This box will show who is approved to wear this item, what days are approved, and what colors are approved. Please read this box before buying the item. Logo information is located farther down the page.
- Lands' End catalogs are available year round in the information centers. If you purchase from Lands' End, they will mail you new catalogs as they become available. Please remember, catalogs will contain items that have not been approved by CCS.
- Shipping costs and delivery times vary. Shipping costs for items being returned to Lands' End may be avoided if the garments are taken to a Sear's store.
- CCS logo is available but optional on most garments. Elementary requires a light blue logoed polo for chapel, competitions, and field trips. There will be an extra \$5.50 charge for all logos. Please use the school logo number (see above) when ordering a monogram.
- 3% of all purchases from the Lands' End School Uniform catalog or web pages will be given back to CCS. Use preferred school code (see above) when ordering.
