

Community Service Report Form/ Evaluation

- For **high school students**: Ten (10) hours of community service are required for each semester of attendance at CCS.
- For **middle school students**: Five (5) hours of community service are required for each semester of attendance at CCS.
- Community Service will be reported to the student's Bible class teacher, who will approve and document all community service hours.
- The community service requirement is Pass/Fail. Therefore, if the student does not complete these hours, he/she will fail the community service requirement for that semester. The community service will be noted on the student's transcript.
