

SECONDARY

8th Graders Travel to Washington, D.C.

The eighth grade trip to Washington, D.C. was the culmination of their United States history class. The purpose of the trip was to deepen students' knowledge of and appreciation for the Christian foundation of our nation.

At right: Eighth graders, Head of School, faculty sponsors, parent chaperones, and United States Congressman John Culberson: 7th District of Texas

Below: Head of School Stephen Novotny, a Texas attorney who has been admitted as an attorney and counselor with the United States Supreme Court, brought a selected group of eighth grade students to view the library, restricted to only court personnel, on the third floor of the U.S. Supreme Court.

Senior Trip to Costa Rica

The Class of 2011 enjoyed unforgettable adventures in Costa Rica such as white water rafting on the Pacuare River. During their trip, seniors were busy with ministry work such as leading vacation Bible school-

like experiences for children at local orphanages and recycling building materials at The Abraham Project. Additional activities included a trip to the Arenal Volcano, zip-lining through the jungle, and

ending the week with a Catamaran cruise, kayaking, and a Costa Rican bar-b-que on the beach! Each night brought a devotion and sharing time. A fun time for all and memories to treasure for a lifetime!
