

## Building Tomorrow's Leaders

The impact of your contribution to our Annual Fund campaign is evidenced by the extraordinary quality of the students that graduate from CCS each year.

CCS graduates have been accepted to the most prestigious universities in the nation and have been awarded millions of dollars in scholarships.

CCS Alumni serve with distinction in many fields, including law enforcement, medicine, finance, technology, military service, engineering, ministry, and education.

**"We are thankful to partner with a school that allowed our children to develop a strong spiritual foundation in an environment that also allowed them to excel academically. We credit CCS for much of their success. Thank you!"**

We want our students to learn not only how to make a living, but to learn how to live in a way that has meaning, purpose, and honor.

**Academically:** CCS students are proficient in all academic principles necessary to enter the university of their choice and/or the workforce according to their potential and ability.

**Spiritually:** CCS students exhibit a biblical worldview as evidenced by Christian character, integrity, leadership, service, stewardship, and worship.

**Ethically:** CCS students learn to love their neighbors as themselves by responding to others' spiritual, emotional, and physical needs and giving of themselves in the process.
