

April 2010

Dear CCS Families and Friends:

You may have noticed some updates at Cypress Christian School during the last several weeks. We have installed new fencing and gates along our property to make our campus safer and to protect our facilities. Additionally, our website has been redesigned with powerful behind the scenes tools that allow us to communicate more clearly and faster than ever before. These improvements were made possible by those who have already donated to this year's Annual Fund campaign.

The purpose of our Annual Fund is to garner the financial resources necessary to make improvements to the campus facility and to equip our faculty and staff with tools to carry out the mission of Cypress Christian School more effectively. These are items that tuition dollars alone simply cannot fund. Our goal for this year is \$200,000, and to date we have received \$115,000. We now need to move forward in reaching our goal to provide for:

- The purchase of additional transportation resources for field trips and smaller athletic teams
- Advanced curriculum planning during the summer
- An additional electronic sign for our Jones Road entrance
- Tuition assistance and scholarship programs

Will you help supply the additional funds required to reach this Annual Fund goal? We at CCS strive to be good stewards of that which God provides, but we cannot do it without you. By giving to Cypress Christian, you invest in the future and advance our ability to serve better the students whom God has brought to the school. You directly impact the lives of those students by helping us keep tuition costs as low as possible. Every dollar you give strengthens our ability to train the young men and women who will provide the next generation of Christian leadership so vital to our homes, communities, businesses, and government.

Please send your tax-deductible contribution to Cypress Christian School. Thank your for your generosity and for joining us in fulfilling the school's mission *to equip students to engage and impact their world for Jesus Christ.*

In Christ,
