### Academic Excellence:

At Cypress Christian School, we believe in pursuing excellence as a way to honor the Lord Jesus Christ. Just as honor is bestowed upon the artist when one sees an exceptional painting, we believe that a student's achievement in academics, athletics, choir, or other co-curricular activities brings honor to the Creator. Cypress Christian School is committed to training students to pursue excellence.

### Biblical Values:

The values taught on a daily basis at Cypress Christian School are needed in both our community and our nation. Students are taught to think with a biblical perspective and to exhibit Christian character through the quality of their work, service to others, stewardship, leadership, ethical choices, and worship.
