School Year: 2010-2011

Dear Advertiser:

We will publish two issues of the CONNECTION this year—one in November 2010 and one in June 2011. We hope you will choose to participate in supporting Cypress Christian School with your advertising dollars. With increased student enrollment this year, we are pleased to announce that the circulation of the CONNECTION has expanded! In addition, as new students are enrolled throughout the year, the number of readers will continue to grow.

Advertising Benefits

- Each issue of the CONNECTION will reach 3,000+ homes, businesses, churches, and community organizations.
- Readers prefer doing business with organizations that support CCS!
- Advertising information is accessible to the school's many web visitors who view the CONNECTION online.
- Advertisers will be added to the growing list of CCS supporters listed on the website.
- Advertisers who choose to be included in both issues receive a 5% discount.
- Best Benefit: Your goal of reaching additional clients and our goal of communicating our mission and achievements to our readers will both be accomplished!

To be included in the CONNECTION, please complete the advertising form and return to me at your earliest convenience (please see deadlines on form). For sample ads, please review one of our previous CONNECTION publications online at www.CypressChristian.org in the About CCS section.

Thank you for supporting CCS!
