

Read, Bead, SUCCEED!

Each student will begin with 10 beads in a baggie. For each book you read over the summer, add a bead to the string provided. Once you have used all the beads in your baggie, you may come up to the Warrior Warehouse to grab a new baggie of beads, and to earn a ticket. You will redeem the ticket for a prize once we return to school, so be sure and keep any tickets you earn in a safe place!

*Please challenge yourself to read grade-level books to complete this summer reading challenge. You can find a list of recommended reading by grade level on the CCS website: CypressChristian.org/Academics/Library
