

CCS Library

Summer Reading Challenge

The CCS Library is happy to announce the summer reading incentive that will keep students reading throughout the summer. The challenge is based on the number of minutes a student reads and appeals equally to all ages and abilities. **Reading begins May 22.** Email Mrs. Parker if you have any questions:

Amy.parker@cypresschristian.org. Enjoy your summer and happy reading! 🌟

- **How to Participate** - Color one box on the Minute Log for every 10 minutes you read. There is no time limit to how many minutes you can read in a day, but it is better to read for smaller amounts of time every day than for long periods of time every now and then.
- **Logging Is Important!** - Keep track of your **Minute Log** and return to school by **September 5**. The log must be signed by the student and a parent.
- **What Can You Read?** - Students may read books, eBooks, magazines, graphic novels, nonfiction, and audiobooks.
- **Set a Goal and Succeed!** - Readers will receive congratulatory medals when we return to school in the fall.

Bronze Medal: 600 minutes

Silver Medal: 1,000 minutes

Gold Medal: 1,500 minutes

WOW Popsicle Party invitation: 1,780 minutes

Helpful hints: Over 12 weeks, if you read:

20 min/day x 3 days/week = 720 Minutes

20 min/day x 5 days/week = 1,200 Minutes

20 min/day x 7 days/week = 1,680 Minutes

- **Kindergarten & First Grade Parents** – It is important for young readers to read independently and engage in shared reading experiences, as both are critical to the process of learning to read. This challenge is intended to increase your child's exposure to books and to create positive reading experiences over the summer. Therefore, both independent reading and reading aloud to your child will count towards minutes earned.

COLOR ONE BOX FOR EVERY 10 MINUTES YOU READ										
10	180	350	520	680	850	1,010	1,180	1,350	Can you	1,630
